To: All Prospective Bidders,

**RE: SUSPENSION OF INVITATION FOR PREQUALIFICATION**

The Invitation for prequalification Referenced: UECCC/WKS/19-20/00006/TE for Civil and Hydro-Mechanical Works and UECCC/SUPLS/19-20/00005/TE for the Design, Manufacture, Supply, Delivery, Installation, Testing and Commissioning of Electro-mechanical Equipment for the ORIO Mini Hydropower Project issued by the Uganda Energy Credit Capitalisation Company (UECCC) and advertised in the Daily Monitor of 10<sup>th</sup> March, 2020 and the New Vision of 12<sup>th</sup> March, 2020 is hereby suspended until further notice.

This invitation has been suspended because of the following reason:

**The prequalification process is constrained by the COVID-19 situation globally, and in particular, the Government of Uganda Directives with regard to the pandemic, which can be accessed at [www.health.go.ug/covid/](http://www.health.go.ug/covid/) and WHO link [here](#)**

Notwithstanding the above, we appreciate all applicants that had already purchased the Prequalification Documents (*herein copied*) and kindly request for your cooperation. Once we transition from the above-mentioned constraints, we will re-launch the prequalification process.

The interested bidders that earlier purchased the prequalification documents will be issued the revised version free of charge.

We apologize for any inconveniences caused by the suspension.
